El Director de Tránsito de Bucaramanga, en ejercicio de sus facultades Constitucionales, legales y en especial las conferidas por la ley 1066 del 29 de Julio de 2006, el Decreto No. 4473 del 15 de diciembre de 2006, el Acuerdo No. 016 de 1980 del Concejo Municipal de Bucaramanga y,

CONSIDERANDO

1. Que la constitución Política en su artículo 209 señala que: *"la función administrativa está al servicio de los intereses generales y se desarrolla con fundamento en los principios de igualdad, moralidad, eficacia, economía, celeridad, imparcialidad y publicidad, mediante la descentralización, la delegación y la desconcentración de funciones"*

2. *Que la Ley 1066 de 2006 en su artículo 5° establece: "FACULTAD DE COBRO COACTIVO Y PROCEDIMIENTO PARA LAS ENTIDADES PÚBLICAS. "Las entidades públicas que de manera permanente tengan a su cargo el ejercicio de las actividades y funciones administrativas o la prestación de servicios del Estado colombiano y que en virtud de por éstas tengan que recaudar rentas, caudales públicos, del nivel nacional, territorial, incluidos los órganos autónomos y entidades del régimen especial otorgado por la Constitución Política, tienen jurisdicción coactiva para hacer efectivas las obligaciones exigibles a su favor y, para estos efectos, deberán seguir el procedimiento descrito en el Estatuto Tributario".* (subrayado fuera del texto)

3. Que el Artículo 817 del Estatuto Tributario modificado por el artículo 53 de la Ley 1739 de 2014 *"por medio de la cual se modifica el Estatuto Tributario Nacional, la Ley 1607 de 2013, se crean mecanismos de lucha contra la evasión y se dictan otras dispociones",* estableció la competencia a los administradores de impuestos a los servidores públicos de la respectiva administración para decretar oficiosamente o a petición de parte la prescripción de la acción de cobro.

4. Que respecto al régimen de prescripción el Honorable Consejo de Estado, a través de la Sala de lo Contencioso Administrativo, Sección Cuarta, Consejero ponente: HUGO FERNANDO BASTIDAS BARCENAS, Radicación: 25000-23-27-000-2009-00138-01(18567) del 28 de agosto de 2013, se pronunció de la siguiente manera:

> *"...detrás del término de prescripción de la acción de cobro coactivo hay poderosas razones de seguridad jurídica tanto para la Administración como para los contribuyentes. Para la Administración, porque debe existir siempre un momento definitivo en el que se consoliden los actos administrativos que expide en el procedimiento de cobro coactivo. y, para los contribuyentes, porque la acción de cobro no puede extenderse indefinidamente en el tiempo[1].*

5. Que en auditoría realizada por la Contraloría Municipal de Bucaramanga a la Dirección de Tránsito en el año 2015, se formuló hallazgo de tipo administrativo, respecto al acogimiento del Estatuto Tributario sobre la prescripción de la acción de cobro.

6. Que conforme lo dispuesto en el articulo 159 de la Ley 769 de 2002, modificada por el articulo 206 del Decreto Nacional 019 de 2012, se consagra que las acciones impuestas por infracciones a las normas de tránsito prescriben a los tres (3) años contados a partir de la ocurrencia del hecho, que la prescripción se declarará de oficio y se interrumpirá con la notificación del mandamiento de pago.

7. Que igualmente el Estatuto Tributario (Decreto 624 de 1989), en su artículo 818 hace referencia a la interrupción y suspensión del término de prescripción:

   "(…) Interrumpida la prescripción en la forma aquí prevista, el término empezará a correr de nuevo desde el día siguiente a la notificación del mandamiento de pago, desde la terminación del concordato o desde la terminación de la liquidación forzosa administrativa.(…).

8. Que conforme a lo dispuesto por el concepto N° 20173210149892 de 2017, expedido por el Ministerio de Transporte en fecha 24 de abril del mismo año, se estableció sobre la prescripción de la acción de cobro lo siguiente:

   "Es de anotar, que si en el término que empieza a correr de nuevo, una vez notificado el mandamiento de pago, la autoridad de tránsito no efectúa los trámites respectivos para el cobro de los dineros producto de las multas de tránsito, operaría el fenómeno de la prescripción, en este evento el artículo 817 del Estatuto Tributario señala que la prescripción puede ser declarada de oficio o a petición de parte".

9. Que mediante Resolución No. 781 del 22 de diciembre de 2017 emanada por la Dirección de Tránsito de Bucaramanga, se resolvió: *"decretar de oficio la prescripción de las acciones de cobro adelantadas por la oficina de Ejecuciones Fiscales de la Dirección de Tránsito de Bucaramanga de la vigencia 2011"*

10. Que según informe en medio magnético presentado por la Abogada GLORIA AMPARO GOMEZ OLIVEROS de fecha 7 de diciembre de 2018 a la oficina de Ejecuciones Fiscales, el cual relaciona el listado aportado por la mencionada abogada, el cual hace parte integral de la presente resolucion y que concluye que los procesos coactivos adelantados por la entidad vigencia 2012 contra deudores multados por infracciones al Código Nacional de Tránsito, cumplen con los requisitos de ley, para que de oficio se decrete la prescripción de la acción de cobro.

11. Que el Jefe de la Oficina de Ejecuciones Fiscales, mediante oficio No 298-2018 del dia 18 de diciembre de 2018 certifica que: *"Que en desarrollo de los procesos coactivos que se relacionan en la presente resolución comparendos vigencia 2012 a cada uno de ellos con el apoyo del contratista Grupo Reincar se adelantaron todas las diligencias pertinentes a la búsqueda e identificación de bienes muebles e inmuebles de propiedad del conductor infractor con resultados negativos. De igual manera certifico que en los procesos coactivos relacionados de la fecha, de notificación del mandamiento de pago al día de hoy han trascurrido más de tres años sin lograr el pago de la obligación morosa,*

2

operando el fenómeno jurídico de la prescripción de conformidad con lo normado en el ART 817 y 818 E.T en enconcordancia con el informe de medio magnético aportado por la abogada contratista, contaste de 11.895 comparendos por valor de $4.031.627.057, el cual hace parte integral de la resolución de prescripción y de acuerdo con los fundamentos jurídicos analizados en la mesa de trabajo convocada por la Personería de Bucaramanga en marzo del 2017, en relación con la prescripción de la acción de cobro por infractor al C.N.T."

12. Que a la fecha en los procesos coactivos relacionados por la abogada en informe de fehca 7 de diciembre de 2018, el cual hace párte integral de la presente resolucion, y que se han transcurrido más de tres (03) años, entre la fecha de notificación del auto de mandamiento de pago y el auto que ordena seguir adelante la ejecución; sin que haya sido posible obtener el pago de la obligación, en consecuencia, se procede de oficio a declarar la prescripción de la acción de cobro, máxime si por razones de depuración contable de acuerdo a resolución iterna No 1008 de 2006 y artículo 355 de la Ley 1819 de 2016 -, existe el deber de sanear y normalizar la cartera de la Entidad.

13. Que dentro del cobro coactivo administrativo se emanaron los respectivos mandamientos de pago y se libraron oficios de embargos, por lo que, si llegasen a existir dentro de dichos procesos, la oficina de Ejecuciones Fiscales deberá elaborar los oficios para levantarlas.

14. Que así las cosas, se cumplen con todos los requisitos de ley para que de oficio se decrete la prescripción de la acción de cobro, lo anterior teniendo en cuenta que en años pasados, las administraciones que tuvieron a cargo la entidad, no realizaron oportuna y eficazmente lo pertinente para lograr la proyección de los autos que permiten seguir adelante con la ejecución de la acción referida anteriormente.

15. Por lo anteriormente expuesto,

RESUELVE:

ARTÍCULO PRIMERO: Decretar de oficio la prescripción de la acción de cobro de los procesos de jurisdicción coactiva vigencia 2012 adelantados por la oficina de Ejecuciones Fiscales de la Dirección de Tránsito de Bucaramanga relacionados en el listado descrito a continuación, conforme a la parte motiva de esta resolución, así:
